

**CITY OF MOOSE JAW  
ENGINEERING DEPARTMENT**

**2017 MANHOLE RESTORATION  
CONTRACT NUMBER 17-003**

The City of Moose Jaw is accepting tenders for the work described below. Please submit the documents listed and described in the Instructions to Bidders in a sealed opaque envelope, clearly identified with Bidder's name, Project name, and Owner's name on the outside.

City of Moose Jaw  
Engineering Department, 3<sup>rd</sup> Floor  
228 Main Street North  
Moose Jaw, SK, S6H 3J8

**Tender Close:**  
Tuesday, April 25, 2017  
2:00 PM CST

## INTENT

The City of Moose Jaw maintains around 2000 sanitary Maintenance holes (MHs) in underground sewage collection infrastructure of varying ages. These MHs need to be restored periodically to increase the life of the MHs, and to keep them operating at an acceptable limit.

## SCOPE OF WORK

Cleaning and Restoration of sanitary manholes by application of a High Sulphate Resistant Hydraulic Cement (HS). The City is seeking experienced contractors to restore eleven (11) MHs around the City. Contractors are encouraged to inspect the locations prior to submitting a bid.

## LOCATION

A map of locations is available on the City website.

## DATE OF CONSTRUCTION

**Start Date:** As soon as possible

**Completion Date:** August 31, 2017
