A full classroom First Aid & CPR Course is usually Friday night, and all day Saturday and Sunday. However we are excited to be able to now offer a Blended Learning type Course where you do most of the course online (ahead of time, whenever it works for you) and then finish the course in a one day classroom setting. Be sure to register early to have enough time to complete the online portion approx. 8-10hrs first, as it MUST be completed prior to entering the classroom.

A Standard First Aid & CPR Course is required to apply for the following City Summer Positions;

- **Playground Program Coordinator**
- **Playground Director**
- **Youth Activity Centre Supervisor**
